

Fee Structure

To All Sockers FC members,

Sockers FC Chicago is pleased to announce that there will not be an increase in participation fee for the 2008/2009 season. In order to create parity with the 2009 raffle sales, each member will pay for their tickets directly to the Sockers F.C. Booster Club at the time of registration (\$200). So as not to increase your financial burden at the time of registration, your deposit is being reduced by \$200. The balance of your club fees will be spread out evenly for the remainder of the payment schedule and you will retain the proceeds from your raffle ticket sales. This will insure that all members participate and benefit equally from the raffle.

The Booster Club will direct the proceeds of the raffle towards state of the art training and game facilities at Olympic Park in Schaumburg and Soccer City in Palatine.

You will be furnished with twenty \$10 raffle tickets in November to sell at your leisure and again, *you will retain the proceeds*. You may note that selling tickets in this matter allows the Booster Club to reduce the amount of tickets sold per person. For families with multiple athletes in the club, tickets will be reduced by five for the third and fourth player.

Multiple Children Raffle Ticket

Third child \$150 raffle sales (fifteen \$10 raffle tickets)

Fourth child \$100 raffle sales (ten \$10 raffle tickets)

A \$30 tournament volunteer deposit will be collected at the time of registration. This will be refunded after you or a family member has worked at one of our three Booster Club tournaments. Please note that all tournament proceeds are reinvested directly back into the club.

Your initial payment will be in two separate methods. The \$200 deposit towards clubs fees can be paid by either cash, check (payable to Sockers FC), or charge. You will see this invoice on your son or daughter's payment screen once logged in online. The \$230 (raffle ticket and volunteer deposit) can be paid by check only (payable to Sockers FC **Booster Club**).
